**Subject:** Comment Letter - Former St. Anthony Mobil Case Closure Summary

This office disagrees with the proposed closure for the subject site. Please refer to the above attached letters for specific comments. Briefly, the following items or actions were not submitted or completed for this site:

1. The off-site plume was not fully defined (area of restaurant).
2. No *Sensitive Receptor Survey Report* was prepared and submitted.
3. Further remediation (HVDPE) in the areas of well MW14 and VE5 through VE7 was not completed. Therefore, no rebound testing was completed for this site.
4. The required additional soil confirmation sampling was not completed.
5. No *Site Conceptual Model* report was prepared and submitted for this site.

Sincerely,

Nancy Olson-Martin
